Aim of the camp :

"Be You - Be the World" offers a space and a moment to build peace, form meaningful connections, and imagine a better world—by and for young people.

- Building peace through the meeting of young people from around the world, guided by the areas of focus of Rotary International.
- In the heart of summer 2026, the Rotary Club of Ambérieu welcomes young people from across the globe on a journey where connection, culture, and commitment come together.
- From **Geneva**—home to the United Nations and the Red Cross, and a historic center for collective security and peace—to **Lyo**, **Annecy** and **Chamonix**, where city life and natural beauty invite both wonder and reflection, each step of the program is designed as an opportunity to discover and to act.
- During their stay in the **heart of the Dombes** (culinary activities, **flights in private planes over the ponds**, walks, tournaments, ...).
- Throughout the journey, participants explore Rotary's seven areas of focus: peace and conflict resolution, disease prevention and health, education, water and sanitation, economic development, and environmental protection.
- Yet beyond these themes, the experience is above all about learning how to meet, listen, share, and create together.
